Owner Release

I understand Bridges Professional Park Animal Hospital (BPPAH) CANNOT guarantee the health of my pet. I understand and will not hold BPPAH responsible for conditions that are unavoidable in boarding kennels, such as but not limited to, weight, hair loss, upper respiratory infections, bronchitis, diarrhea, and fleas. **I understand ALL pets admitted to the clinic must be protected against communicable contagious diseases and must be free of internal and external parasites or will be treated on entry or discovery at the owner/agent's expense.** If vaccinations were performed elsewhere, I can provide written documentation of the Rabies vaccination administered by a licensed veterinarian, I understand that in the event of my pet's illness, the staff will immediately attempt to contact me or my agent to discuss the problem and treatment options, but if contact cannot be made immediately the clinic is therefore authorized to initiate appropriate treatment until myself or my agent can be reached. Should an EMERGENCY arise, I authorize the medical staff to sedate my pet and/or perform such emergency procedures as may be necessary for the health of my pet until I can be notified. I agree to pay, in full all charges for necessary services rendered for and to my pet.

I understand that the clinic is not responsible for loss or damage to personal items left with the pet including but not limited to leashes, collars, toys, and bedding.

The clinic is to use all reasonable precaution against injury, escape, or death of my pet. The clinic and staff will not be held liable for any problems that develop provided reasonable care and precautions are followed. I understand that any problem that develops with my pet will be treated as noted above and I assume full responsibility for the treatment expenses incurred.

I will call if my "pick-up date" changes so BPPAH can plan accordingly. If I neglect to pick up my pet within 5 days of the date scheduled for discharge, and do not notify BPPAH within that time period, BPPAH may assume that the pet is abandoned and are hereby authorized to relocate the pet as BPPAH deems best and/or necessary.

I understand there is an additional charge for any pet deemed aggressive during the boarding period.
